The Principal
Green Valley Public School
Khadri, Yamuna Nagar

Memo No. 3903

Dated:

07/08/2026

Sub:- Building safety Certificate for Ground floor and First floor of Green valley Public School, Dadupur Khadri.

Ref:- Your office letter dated 15.07.2026.

In this connection, it is intimated that the building of Green Valley Public School, situated in village Khadri has been inspected by Sub Divisional Engineer, Provincial Sub Division PWD B&R Br., Chhachhrauli along with concerned JE and has reported that upon visual/physical inspection, the building consisting of ground floor and first floor, apparently seems to be safe as no crack/settlement has been observed during the inspection. However as for as seismic factor and structural safety of the building is concerned, the advice/opinion of the structural consultant may be sought because this office does not issue the structural safety certificate of any building. This certificate is valid for one year only. It is further intimated that this report is confined only to the ground floor & first floor of the building. Second floor of the building is presently under construction, therefore second floor of the building has not been considered as part of this inspection or safety assessment.

This is for your information and further necessary action please.
